WOMEN IN THE AUTO INDUSTRY #6 MICHELLE CHRISTENSEN

Michelle has placed herself in the history books as the first woman to lead a supercar design team. As a small girl, working on muscle cars with her father inspired her desire to improve upon a car's design, and led to her graduation from the Art Center College of Design in Pasadena, CA.

Shortly after Acura unveiled its NSX concept at the 2012 Detroit auto show, Michelle signed on with the Honda team for the production car.

She knows cars and the importance of proper dynamics, but most importantly she knows what we want as a consumer.

JAGUAR SOCIETY MEMBERS

All you need to know and more!

By Sheila Brower, Health & Hospitality Director

- Larry Dennis and his wife, Barbara, are going to Barcelona on a Viking Ocean Cruise with 3 stops in Spain and others in Portugal, England, France, Belgium and Norway. They will be gone for 15 days. We look forward to hearing about your venture and to seeing pictures! This would be a great way for us to see all of these places.... and for me, without having to take the cruise. If I can't see land, count me out as I have mentioned before.

- Don & Marlene Hart are going to Harrah's for their anniversary....HAPPY ANNIVERSARY!! Also, thanks for bringing prospective new members, Bob and Beverly, to our meeting.

- Joel & Maryanne Blackford are off camping again next week. This time they are headed to Ft. Mountain and then they are headed to a knife conference in Blairsville. We need to have Joel show off the knives that he has made...Maryanne has made some beautiful items (no, not knives) that she makes too. They are two very talented people!

- Ted & Rita Anderson's grandson has a full ride scholarship for the graduate program at Wake Forest University! Rita also said her great granddaughter just celebrated her first birthday!!! Great to hear about family isn't it?

- Doug McDougal told me that Becky had cataract surgery on both eyes and said she highly recommends it! She can see like a teenager...he didn't say that but he did indicate she could see better than she has in years so it has to be when she was a teenager. She wasn't with us at the meeting since she is back in Florida taking care of her mother.

- Alan & Dabney Talbott are going to the beach in Beaufort, NC, to be with Dabney's sister's side of the family. Her sister has a summer home there. Dabney's niece is expecting a baby soon and she is looking forward to seeing her.. She says "we have a ball when we are all together!" There is nothing better than being with family!!!! Alan's brother is doing well after having a quintuple bypass...Alan headed straight to be with him when he got the news....again, family first!

- J.P. & Jenny Summers went to Colorado for 10 days for business and vacation...they get to "write off" part of it since Jenny had to work a few days. She does travel a lot with her work but glad they could get vacation in on this trip as Colorado is a great place to vacation!

- Steve and Jane Unti made everyone happy by attending our meeting. So fantastic to see Jane looking so good and, as Steve put it regarding Jane, the meeting was a "great coming out!" It was great seeing them both! Bless you!

- Ed Chellino said his first granddaughter got married July 5. He said it was "a big deal." Again, we are talking about our family and will always be glad to hear what is going on in your lives!

- Paul & Sheila Brower went to Little Rock the last of June to celebrate one of our daughter's birthday. We had the celebration at their club house and had all the family there including my twin brothers and their wives. We had burgers, hot dogs, cake and their kids got to swing, swim and have fun with family....great time!!!! When we go there, we usually stay with Paul's sister, and it is always great visiting with them too. Yep, time with family is the best!

THOUGHTS & PRAYERS:

As you all know, Vail Frost passed away and his Celebration of Life was held July 21st and I just ask that you continue to remember Linda during this difficult time. If you would like to drop her a card, her address is 6585 Fairfield Trace, Suwanee, GA 30024.

Please let me know other members who need us, those who are ill in the hospital or ones that I can send a note letting them know we are thinking of them. Contact me anytime either by phone 770 355-5735 or email sheilabrower@bellsouth.net . Thanks and bless you my friends!

Letter from Edna Berkshire about the Atlanta British Car Fayre:

Del:

Apologies for the delay in responding. I have been out of town with very limited computer access so am now trying to catch up.

The attached press release may be helpful to you. The City hired an agency to promote all things happening in Norcross and from bits and pieces of info I sent them they put this press release together. Feel free to use any of the info for your newsletter or website. If there is any other info you need please don't hesitate to ask.

The Jaguars will be parked in the main area on South Peachtree Street and in addition to awarding a plaque for "Best in Show" from all of the cars registered we will also present a plaque for "Best in Show - Featured Marque - Jaguar". Our two judges are the best, both owning their own Atlanta business specializing in sales, service and restoration of classic cars.

As of today, Jaguar is the highest number of cars registered and anything you can do to promote the Car Fayre will be much appreciated. We do advertise extensively in the Greater Atlanta area, with over 400,000 ads scheduled in print media, plus many of the publications now offer on-line advertising also. We distribute posters and postcards around the Atlanta area. These should be ready later this week and I'll be glad to send you a copy of each since they do show Jaguar as the featured marque.

Thanks for your help with this and, again, please let me know if you need anything additional.

Best regards,

Edna Berkshire
